VOLUNTEERS

CRAFTED VANCOUVER IS LOOKING FOR VOLUNTEERS

Join us as we count down to our inaugural 25-day festival in May 2018. Our full programme will be available in Spring 2018, but take a look at our website for some of the events we have in store.

Our goal is to provide volunteers with a valuable learning experience. By joining our enthusiastic team, you're getting in on the ground floor as we work to create a leading craft festival for Vancouver, and our national and international guests.

A volunteer training session will be held April 2018.
